

# 2010 ILLINOIS HERITAGE EXPO

MAY 15-16  
10:00-4:00

LINCOLN LOG CABIN  
STATE HISTORIC SITE  
[www.lincolnlogcabin.org](http://www.lincolnlogcabin.org)

The Illinois Heritage Expo is a gathering of both the Illinois Historic Preservation Sites and other historical societies, museums and institutions from across the state as well as historic artisans and historical reenactment groups on Saturday and Sunday, May 15-16, 2010, from 10:00 a.m. to 4:00 p.m. daily.

Our purpose in gathering together these heritage organizations is to be proactive in promoting both our individual sites and Illinois' collective history through the use of presentations or performances, exhibits, historic crafts or demonstrations, period music and/or clothing representing distinct eras of Illinois history, family friendly, hands-on activities, food and much more.

We believe that an event of this kind allows the participating institutions another opportunity to show the public what we have to offer and will both stimulate interest in Illinois history and visits to the sites showcased at the Illinois Heritage Expo.

Lincoln Log Cabin State Historic Site has the capacity to welcome large numbers of participants as well as visitors to the Expo. The site offers exhibit space for participants both indoors and outdoors as well as having distinct areas set aside for living history exhibits, activities, encampments, and historical trades people.

Let's work together to remain active and visible!
